

## Voting While You Are Studying Abroad

If you plan to study abroad during 2018, be sure to take steps before you leave to ensure that you can vote. Plan ahead about:

- Registering to vote
- Getting an absentee ballot
- Photo ID

In 2018, elections will determine the makeup of Congress and the people who will govern Wisconsin. Exercise your voice and your vote!

*“One of our missions as an American educational institution is to prepare and encourage everyone who passes through the university to be an active, engaged citizen. Voting is one important aspect of this. It is essential to our democratic form of government and a responsibility that comes with citizenship.”*

– Blog of UW-Madison Chancellor Rebecca Blank, January 29, 2016

### Background

All Wisconsin college students who are eligible voters can choose one appropriate option:

- Register and vote using your school address. Vote at your local campus polling place, and vote for local campus-area offices. You will need to register each time you change address.
- Register and vote using your Wisconsin home address. This may be a good option for those who are eligible for online registration and also plan to vote via absentee ballot.
- Register and vote in your home state, outside Wisconsin. Students abroad who are voters in most states (but not Wisconsin) can use the services of [www.overseasvotefoundation.org](http://www.overseasvotefoundation.org).

If you are a Wisconsin voter and you leave the US to study abroad, you can continue to vote using your last address, as chosen above. You may use that address to vote if you intend to return to Wisconsin.

### Registering

If you have a Wisconsin driver license or state ID card, and are 18 or older, you can complete your voter registration online at [myvote.wi.gov](http://myvote.wi.gov). In order to successfully register online at [myvote.wi.gov](http://myvote.wi.gov), the data you enter will need to match the data on file in the Department of Motor Vehicle database, including your zip code. Therefore, if you have an address change, update your address in the DMV database at [tinyurl.com/DMVchanges](http://tinyurl.com/DMVchanges) before you register. Online registration closes 20 days before each election.

If you do not have a Wisconsin driver license or state ID card, you can start your registration at [myvote.wi.gov](http://myvote.wi.gov). This web page will give instructions on printing, signing, and mailing the form. Mail registrations must be postmarked at least 20 days before each election.

If you use this method to register, you will need to include proof of your Wisconsin residence. The document at [go.wisc.edu/verify](http://go.wisc.edu/verify) is acceptable for proof of residence if it shows your voting address. The address can be updated through your UW Student Center, by editing your mailing address.

### Requesting an absentee ballot in Wisconsin

Voters who are registered in Wisconsin can request an absentee ballot for a specific election, or for any or all elections in a calendar year. Absentee ballots can be requested at [myvote.wi.gov](http://myvote.wi.gov). Requests must be accompanied by a copy of your photo ID, which can be uploaded at [myvote.wi.gov](http://myvote.wi.gov).

If your voting address is in the city of Madison, you can request an absentee ballot via an email to [voting@cityofmadison.com](mailto:voting@cityofmadison.com). Be sure to include your name, address at which you are registered to vote, the address to which the ballot should be sent, and a copy or picture of your voter ID.

### Receiving the absentee ballot

Currently, any Wisconsin voter may request that their absentee ballot be emailed to them. The ballot will be accompanied by detailed instructions – follow them closely. The voter will then print the ballot and mail it back. HOWEVER, the right to receive a ballot via email may be overruled by a federal appeals court before the 2018 elections. Of course, you may request that a regular absentee ballot be sent to a snail mail address anywhere in the world, but delivery times will vary.

### Photo ID

Acceptable voter ID's for Wisconsin include a Wisconsin driver license, state ID card, or US passport. These documents are valid ID's if they have an expiration date after November 8, 2016. (The address on a photo ID does not matter for voter ID purposes.) The standard UW Wiscard does not meet specifications. However, you can take your Wiscard to the Wiscard office at Union South and get a free student voter ID card. (Hint: Do this before you leave!) To use the student voter ID for voting, the card needs to be accompanied by a proof of enrollment, such as your document from [go.wisc.edu/verify](http://go.wisc.edu/verify).

Voters permanently overseas have special voting rights.
